

I made a
KNIFE!

THE NOMAD

DROP POINT	SABRE GRIND
<p>NOTES: an unbeatable design for a heavy-duty bush knife.</p> <hr/> <hr/> <hr/> <hr/> <hr/> <hr/> <hr/>	

KNIFE FACT #323: Once inside the victim, the WASP knife forces over 800 psi of CO2 in, creating a basketball sized air pocket and freezing the surrounding internal organs.
